Budget Travel & Beyond: Save Your Money, Change Your Life

Meggan Kaiser, *Host of Travel Channel's 24/\$7, Author of Everywhere for Nothing: Free Travel for the Modern Nomad, and Writer*

When you zoom out from the typical notion of what travel “should” be, you realize all the things travel can be. Budget travel isn't just back packs and sweaty bus rides, it's also housesitting in Thailand, helping a gardener in Provence in exchange for room and board, or staying with Russian locals who love being tour guides.

Exhilarating, rejuvenating, and life-changing experiences like these can cost you exactly zero dollars, especially when you maximize credit card points for free flights.

Join this talk for tips, tricks, and hacks to create the (free!) travel experience of your dreams and walk away with new insight on how to realign your travel goals with what you really want in life.
